Dear Mr. Drake:

Thank you very much for your letter of 18 December adding your support to the kind invitation previously extended me by the Kansas City Association for International Relations and Trade.

As I wrote Mr. Stevenson, I am not able at this time to make a firm commitment as to the possibility of my visiting Kansas City. If the situation should change, I will see what arrangements can be made. However, I deeply appreciate your courtesy in writing to me as you did.

With kindest regards. and best wishes for Xmas and the New Year.

Sincerely,

SIGNED

My dear Mr. Dulles:

May I add to the invitation extended you by the Kansas City Association for International Relations and Trade the wholehearted and most sincere support of The University of Kansas City.

It is planned, I understand, that foreign students attending colleges and universities in this region be asked as special guests to the proposed banquet. Our many students from foreign lands would consider the opportunity of hearing you speak a unique privilege. On their behalf I want to express the earnest hope that you will be able to accept the invitation of the Association.

Sincerely yours,
